Let us welcome you into the warmth of L'Orée des Vignes, where you will discover a relaxed and peaceful retreat tucked away amongst the vineyards on the outskirts of historic Pezenas. Set in a quiet leafy lane, our accommodation is only a leisurely 10 minute stroll from the heart of the old town with its cobbled streets of restaurants and cafés, metiers' studios and galleries, boutiques and shops.

'L'Orée des Vignes' - Chambres d'Hôtes

We offer you comfortable bed and breakfast accommodation in our rural old stone-built home. All of our bed rooms are on the first floor and have en-suite facilities of shower, washbasin and toilet, each has a hairdryer and a hospitality tray for making tea and coffee. Enjoy a breakfast of warm croissants & baguettes, cereals, yogurts, fruit and beverages in our light and airy dining room overlooking the patio, swimming pool and large garden.

As we are open all year, all of our rooms have central heating for the winter months. There is ample safe parking close to the house.

After a day exploring the beautiful Languedoc countryside, you can relax and unwind with your glass of wine on our south facing patio, or in the shade of the Pagoda tree, overlooking the large garden with views to the west, of the glorious sunsets, and the foothills of the Espinouse. We have a 10m x 5m pool for those looking for a cool dip before evening.

The original building of L'Orée des Vignes, dates back to the 17th century and still bears evidence of its former days as the working home of local wine producers. Its rustic charm lives on and can be seen in the vaulted ceiling of the lounge, still cool even in mid-summer, in the stone arch of the barn door leading into what was once the old cave, and the old well, facing the house.

As one half of our partnership, Chris, is a professional artist, his paintings are displayed throughout the house and a further display of his work can be seen on his [on line gallery](#).

Be it in our Chambres d'Hôtes or in our Self Catering Accommodation, it is our wish that all of our guests feel relaxed and at ease when here at L'Orée des Vignes. We are therefore always happy to help out where we can with advice and directions and share with you our knowledge of the area however, we'll try not to impose.
